

REGISTRATION 2024-2025

3 steps to register.

»»» STEP 1: ONLINE ADMINISTRATIVE REGISTRATION

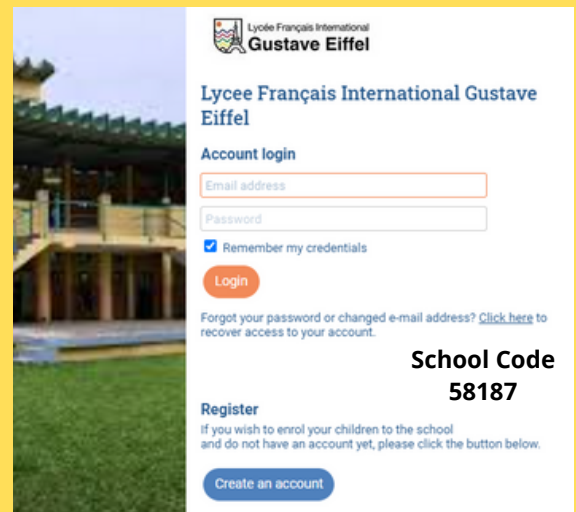

In order to apply for the registration 2024 – 2025, which starts in September 2024, you need to use the EDUKA online platform.

On your first connection on the EDUKA platform, you must create a "parents" account.

It is important to keep your login details as they will be required for future connections and in order to follow the process of your application

To register, click on Create an account.

You will be asked to fill in your personal details and to provide the required documents in order to create your child's account. School Code is 58187.

It is possible at any time to interrupt and later resume the process by clicking on the "Save" button. In order to validate and finally send the application, you need to click on the "Send registration file" button. All required documents should be attached and Internal and Financial Regulations must be read.

»»» STEP 2: ADMISSION COMMITTEE

Completion of the registration form does not guarantee automatic admission.

The Admission Committee meets regularly to validate applications depending on the number of places available.

After a review of your application, you will receive an email indicating that you can proceed with your child's final registration.

»»» STEP 3: PAYMENT OF REGISTRATION FEES

Your child's final enrolment will be subject to payment of the Initial Enrolment and Caution Fee by the indicated deadline.

Important: the Initial Registration Fee will not be refunded in case of later cancellation.
